

# General Purpose Cleaner

## Technical Bulletin

### Product Description

General Purpose Cleaner is an alkaline cleaner containing a blend of water softening agents and anionic and non ionic detergents. These give effective cleaning without excessive foam.

General Purpose Cleaner contains a fresh herbal lavender fragrance to deodorise whilst cleaning. General Purpose Cleaner is an alkaline cleaner containing a blend of water softening agents and anionic and non ionic detergents. These give effective cleaning without excessive foam.

General Purpose Cleaner contains a fresh herbal lavender fragrance to deodorise whilst cleaning.

### Applications

As a spray and wipe cleaner use at dilutions from 1:10 to 1:25 dependant on degree of soiling.

For cleaning floors use at dilutions from 1:40 (½ cup per 5 litres) for heavy soiling, to 1:80 (¼ cup per 5 litres) for general cleaning.

If kitchen floors are heavily soiled with greases and fats Laser Heavy Duty or Breakaway are recommended.

### Technical Data

General Purpose Cleaner is an alkaline liquid containing water softening agents, alkaline builders, soil dispersants and a blend of biodegradable anionic and non ionic detergents.

It has a pH of 11 in the neat form.
